Monthly Giving Program

Our Mission

Our mission is to prepare and deliver nutritious meals to anyone who, by reason of age, physical or mental handicap or illness, cannot prepare adequate meals for themselves. At SNDMOW, we believe in the availability of nutritious meals for all people, regardless of their financial securities or insecurities. Our clients are some of the most vulnerable members of our community – seniors, disabled, immuno-compromised and the isolated – many of whom have very little to no family/friends.

Pledge50: Our Monthly Giving Program

Pledge50 is way for you to support us all year round and make bigger impacts in our community! This program has been created to help our charity retain reliable funding which will not only help us continue our daily operations, but also to help support our Sponsor A Senior program. With monthly giving, we can spend more time carrying out our mission as well as helping low-income seniors within our catchment.
